

LIBRARY FACILITIES FOR IOA MEMBERS

A number of libraries have been asked whether resources might be made available to IOA members. The libraries listed below have agreed to admit members. Some libraries offer only reference facilities whilst other will permit borrowing. The individual conditions vary according to the library rules and a fee may be charged, especially for borrowing.

Members wishing to use a library should make themselves known to the librarian as Institute members and comply with local regulations.

Libraries at which facilities are available:-
