

Hann Tucker Associates

Consultants in Acoustics Noise & Vibration

With a history spanning more than 50 years, Hann Tucker is one of the UK's leading independent acoustic consultancies, working alongside renowned architects and major property developers to deliver some of the country's most prestigious and award-winning developments.

As part of the continued growth of our Manchester office, we are seeking experienced Acoustic Consultants for a **Principal Consultant** position.

This is an exceptional opportunity to play a key role in the delivery of landmark projects across a diverse range of sectors, including major urban regeneration schemes, high-rise developments, world-class research facilities, broadcast and recording studios, conference and performance venues, cinemas, luxury hotels, and other architecturally significant buildings.

We are looking for ambitious and technically capable professionals who are passionate about acoustics and motivated to contribute to the success of complex, high-profile projects. In return, we offer a competitive remuneration package, excellent career development opportunities, and the chance to work within a collaborative and highly respected consultancy.

Candidates should be able to demonstrate:

- A minimum of 7 years' professional experience in architectural acoustics
- Strong technical knowledge and project delivery experience
- Excellent communication and client-facing skills
- A proactive and enthusiastic approach to problem-solving

If you are looking to advance your career and work on some of the most exciting developments in the UK, we would be pleased to hear from you.

To apply, email your CV to enquiries@hanntucker.co.uk
