

Opportunities at All Levels

Northwich, Sherborne, Bristol, & London

Sol Acoustics is a dynamic, independent Acoustic Consultancy of more than 25 years' standing. We work on a variety of major, diverse projects around the UK and abroad, ranging from award-winning residential schemes to large scale power sector and industrial projects.

We offer:

- Competitive salary and company bonus scheme
- Flexible and hybrid working options
- Fast track promotion prospects for exceptional Candidates
- Opportunity to pursue technical and commercial passions within the role
- Excellent training opportunities in all aspects of Consultancy

We are seeking:

- Graduates and experienced Consultants
- An interest in both Building Acoustics and Environmental Acoustics
- An acoustics-related degree recognised by the IOA or the IOA Diploma (other STEM degrees considered for exceptional Candidates)
- Full UK Driving Licence
- Proven time management, written and verbal communication skills

RNCM, Manchester

Royal Arsenal Riverside, London

Bang & Olufsen, London
