Opportunity for an Acoustic Consultant

Hunter Acoustics is a leading acoustic consultancy practice based in Cardiff.

Over the past 25 years, we have undertaken major projects across the UK covering planning, industrial, education, residential, healthcare, performance and studio acoustics. For more information on past projects, please see our website; www.hunteracoustics.co.uk

Candidate requirements;

- A relevant degree/diploma with some working experience in acoustic consultancy
- AMIOA or MIOA membership
- A full driving license currently valid in the UK (or European equivalent)
- Good written and verbal communication skills
- Ability to manage small to medium scale projects

Experience with acoustic modelling software (Noisemap Five, INSUL, CATT) would be beneficial but not essential.

We can offer; a competitive salary with profit related bonus to the successful applicant (salary dependent on experience and qualifications).

Company philosophy is to provide a positive and flexible working environment, giving employees the opportunity to expand their experience and maximise their potential.

Please apply by submitting your CV to Meirion Townsend – meirion@hunteracoustics.co.uk No agencies please.

Closing date for applications: 30th October 2019.
