

## Trainee Consultant

Due to continued high demand for our services, we are seeking applicants who are interested in joining our dynamic team and actively contributing to the company's continued growth. The position will be based at our head office in Surrey.

In return we will offer successful candidates a top level remuneration and benefits package, stimulating and rewarding work, with a commitment to continuing professional development.

The Trainee Acoustic Consultant role will suit graduates with relevant qualifications and individuals with up to two years experience in acoustics. We have a proven track record of offering opportunities and personal development to committed new entrants to the acoustics field.

For more information about our company please visit our website, or contact **Tom Zarebski** for an informal discussion.

Interested applicants should email a CV to [opportunities@colejarman.com](mailto:opportunities@colejarman.com) quoting APR19/1 (no agencies please)
