

Career Opportunities

Due to continued high demand for our services, we are seeking applicants who are interested in joining our dynamic team and actively contributing to the company's continued growth.

In return we will offer successful candidates a top level remuneration and benefits package, stimulating and rewarding work, with a commitment to continuing professional development.

Acoustic Consultants

Candidates will usually be graduates in acoustics or a related field with about two years work experience within acoustic consultancy.

This is an ideal post for someone looking to quickly advance their career with high quality acoustic consultancy experience.

The positions would attract flexible working, with an affiliation to our Addlestone Office.

Send a CV and covering letter stating which role you are applying for to:
