

**Environmental Noise officer
Casual (flexible) covering 500 hours over 12-months
£17.07 to £23.32 per hour (dependent on experience), plus
holiday entitlement**

An exciting opportunity has arisen for an Environmental Noise Officer with a keen interest in environmental noise and aviation. In particular looking at the noise impacts arising from Heathrow's proposed third runway.

While primarily working with Spelthorne Council's 'Heathrow Expansion Working Group', the role will also involve close collaboration with external consultants and organisations.

For an informal chat about the post, please contact Tracey Willmott-French, Senior Environmental Health Manager on 01784 446271 or t.willmott-french@spelthorne.gov.uk

**Closing date: Tuesday 11 December (Noon)
Interview date: Tuesday 18 December 2018**
