

*With a commitment to excellence and innovation, Agile Engineering Consultants has established itself as a leading name in the engineering consultancy industry.*

*Specialising in a range of engineering services—including Acoustics & Vibration, Mechanical, Electrical, Hydraulic and Sustainability Engineering—we pride ourselves on delivering high-quality solutions for building development projects across New Zealand. Our projects span various sectors, and we work closely with top-tier property developers and architects to create exceptional, award-winning buildings. Our Acoustics team has an even wider reach into a diverse range of Infrastructure and Environmental noise and Expert Witness roles.*

*Our Auckland office, located in the heart of Auckland CBD, is seeking a passionate and experienced Acoustic Consultant to join our dynamic team. This is an exciting opportunity to be part of a company that values creativity, collaboration, and a client-focused approach.*

*As an Acoustic Consultant at Agile Engineering, you will play a crucial role in delivering expert acoustic advice and services to our clients. You will be involved in a diverse range of projects, from start-to-finish development of new buildings to the acoustic retrofitting of existing structures.*

**What we are looking for:**

- A desire to take ownership of projects and ensure the success of the entire team
- A strong commitment to continuous learning and tackling unique challenges
- A 'can-do' attitude with a personable and approachable manner
- 5-10 years of experience in Acoustics Consulting, with a significant portion focused on buildings and building services
- A Bachelor's degree in Engineering, Acoustics, or a related field

*If you meet the above criteria and are excited about the prospect of joining our Auckland office, please send your CV and a cover letter to our Director of Acoustics at [richard.finley@agile-eng.co.nz](mailto:richard.finley@agile-eng.co.nz) or visit find out more about us at [www.agile-eng.co.nz](http://www.agile-eng.co.nz)*
