

Construction Noise Consultant

Job Title: Construction Noise Consultant

Hours: 37.5 hours per week

Salary: Competitive

Reporting Line: Tris Edwards

SRL is a specialist engineering consulting and testing business, established over 50 years ago. We primarily work within the construction industry and support contractors on some of the largest construction and infrastructure projects in the UK and elsewhere worldwide. Our London office is recruiting an experienced, enthusiastic and flexible noise consultant to join our expanding team in delivering major projects for key clients throughout the UK. Are you ready to take the next step in your career?

The Role

- Working as part of the infrastructure team to deliver s61 applications (CoPA 1974), for major infrastructure projects
- Responsible for collating technical information and writing applications
- Delegating work packages internally
- Meeting clients and stakeholders, collaborating with engineers and other consultants

The Person

- Have experience of writing s61 applications;
- Have experience of successfully negotiating / liaising with project clients and local authorities;
- Good communication skills and the ability to professionally represent both SRL and our clients;

Benefits:

- Competitive salary
- Childcare vouchers, Cycle to work scheme
- Health Scheme, Pension up to 10% matched
- Gym/health and well-being Membership
- 27.5 days holiday + bank holidays, Christmas shut down
- Death in service payment, Share scheme (after 3 years)
