

We're on the lookout for an Experienced Acoustic Consultant / Senior Acoustic Consultant to join our growing consultancy. Whether your strengths lie in environmental noise, building acoustics, or a bit of everything, there's a place for you here.

Location: UK (remote/hybrid/home working)

Role Type: Full-time, Permanent

Experience Level: Mid-Senior

Are you passionate about sound and its impact on the world around us? Ready to take your acoustic consultancy career to the next level in a supportive, forward-thinking team? If so, NOVA Acoustics Ltd would love to hear from you!

ABOUT US

At NOVA Acoustics, we're not your average consultancy. We believe in combining technical excellence with a down-to-earth, friendly approach—both in how we work with clients and support each other. From day one, you'll be part of a collaborative, ambitious team passionate about what we do and where we're going.

WHAT YOU'LL BE DOING

- Leading and delivering acoustic surveys, assessments, and reports across a variety of sectors (residential, commercial, industrial, and more).
- Providing expert advice to clients on noise control, compliance, and design.
- Mentoring and supporting junior consultants as part of their development.
- Engaging with clients, architects, and project teams to build strong working relationships.
- Helping us continuously improve what we do, with room to shape the role around your interests.

WHAT WE'RE LOOKING FOR

- Solid experience in acoustic consultancy (a minimum of 3 years, preferably 5 years+)
- A good understanding of relevant UK regulations, standards, and best practices
- Strong report-writing and data analysis skills
- Excellent communication and interpersonal abilities
- Full UK driving licence
- Corporate Member of the IOA

WHY JOIN NOVA?

- Competitive salary based on experience
- Flexible working arrangements
- Ongoing training and CPD opportunities
- Supportive, close-knit team culture
- Varied project work with real responsibility
- The chance to genuinely shape your role as we grow

WHAT NEXT?

If this sounds like the right fit for you, we'd love to hear from you. Please send your CV and a brief covering letter outlining your experience and what you're looking for in your next role to: adam.m@novaacoustics.co.uk

We are not currently accepting applications via recruiters/agencies. If you are interested in this role, please apply directly. The closing date for applications is 30/05/2025, and the start date for the role is July / August.
