

# BUROHAPPOLD ENGINEERING

BuroHappold's Acoustics Team is constantly pushing boundaries to inform truly sensitive built-environment design. Working with some of the world's most exciting and prestigious architectural practices, we're busy on projects in some of the most technically challenging sectors, including culture, sports/leisure, and higher education.

If you want to be involved in a truly integrated, multi-disciplinary design community, within a friendly, progressive working culture, please get in touch!
