

# Assistant Acoustic Consultants

## Surrey (Head Office) & Manchester

Our head office in Surrey services many of the highest value building projects in London (and beyond). You would join our large and growing team of enthusiastic consultants, gaining valuable experience across a wide range of environmental and building acoustics design projects.

For Manchester, you would join our young & ambitious team working on many of the largest and most prestigious building projects outside of London.

You should be enthusiastic, keen to work as part of a team and hold a degree in an acoustics-related subject. A full driving licence is essential.

Our remuneration packages include a competitive salary, annual bonus, private pension, parking permit and, once consultant grade is achieved, a company car allowance.
