

## Graduate & Senior Consultant Manchester

An opportunity to join our young & ambitious Manchester team working on many of the largest and most prestigious building projects outside of London.

You should be driven and enthusiastic with a degree in an acoustics-related subject. Senior consultant applicants should have 4-5 years' experience and be a member of the IOA. A full driving licence is essential.

Remuneration packages include a competitive salary, annual bonus, private pension, city centre parking and, at consultant grade or higher, a company car allowance.

## Graduate Consultant Surrey

Our head office in Surrey services many of the highest value building projects in London (and beyond). You would join our large and growing team of enthusiastic consultants, gaining valuable experience across a wide range of environmental and building acoustics design projects.

You should be enthusiastic, keen to work as part of a team and hold a degree in an acoustics-related subject. A full driving licence is essential.

Remuneration packages include a competitive salary, annual bonus, private pension, parking permit and, at consultant grade or higher, a company car allowance.
