

SOUND IS EVERYWHERE

It shapes how we experience the world

NOW IT'S 
YOUR TURN

The Institute of Acoustics (IOA) invites you to take part in an exciting competition

Sound Unleashed: Discover, Create, Inspire!

Embark on an Exciting Journey in Sound
and Tell Us What You Discover

We're looking for fresh,
creative presentations that highlight

WHY SOUND MATTERS

IN DAILY LIFE

MAKE A SHORT ENGAGING VIDEO

showing how sound impacts people and the world around us

— USE —

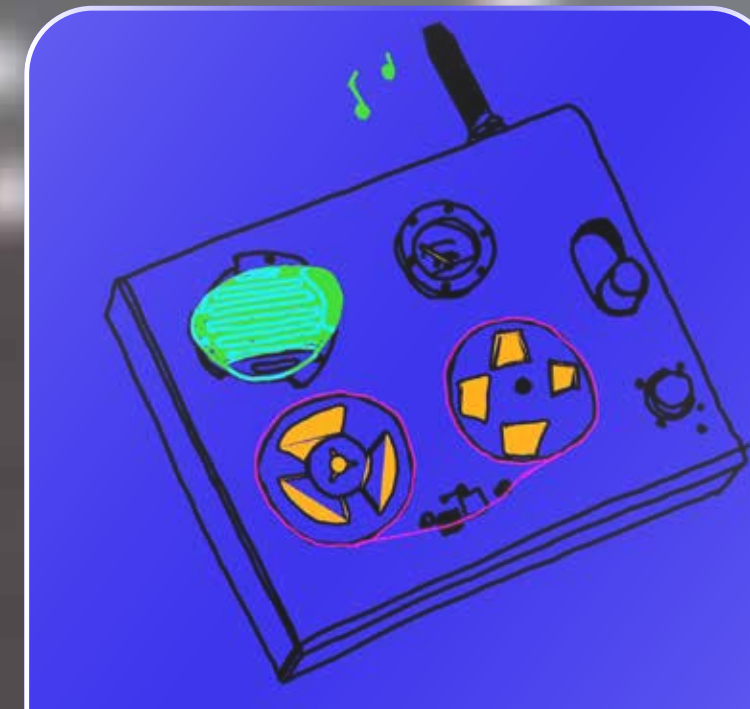

1-5
Minutes

Recordings

Graphics

Animations

INSTITUTE OF ACOUSTICS

The UK's
Professional body for
those working in
Acoustics, Noise,
Sound and Vibration.

SUBMIT YOUR VIDEO

THE DEADLINE
31st July 2025

The illustration shows a stylized email composition screen. At the top, there are several envelope icons and a central graphic of a speaker or microphone with sound waves. Below this, the 'To' field is filled with the email address 'Discoveracoustics@ioa.org.uk'. The 'Subject' field is empty. A video player is shown with a play button and a progress bar. To the right of the video player is a blue button labeled 'SEND'. A paperclip icon is visible to the left of the video player.
