

# CONSULTANTS & SENIOR CONSULTANTS, MANCHESTER

*RBA Acoustics is an IOA and ANC award winning acoustic consultancy practice, with a wide range of clients including Everyman Cinemas, Barratt London, Vital Energi, and many more.*

*We are currently seeking intelligent, enthusiastic, and motivated individuals with around 3 to 5 years' experience to join our team based in Manchester.*

You would be involved in a wide variety of projects from cinema design to environmental impact and provide ongoing support and guidance to less experienced consultants. You should have a proven background in consultancy; specifically architectural and environmental acoustics.

The position is ideally suited for someone wanting to take the next step in their career, with the chance to join our growing team which is conveniently located in Central Manchester. RBA have a proven record in providing a challenging yet supportive working environment across our offices, and encourage consultants at all levels to fulfil their potential.

RBA offer a competitive salary, bonus scheme and an employee benefits package.

If you would like to have an informal chat about the opportunity, feel free to contact us. Alternatively if you wish to apply, please email your covering letter and CV to [danny.green@rba-acoustics.co.uk](mailto:danny.green@rba-acoustics.co.uk).
