

ACOUSTIC CONSULTANTS REQUIRED

As our business continues to grow, we are looking for motivated candidates to join our team in order to drive our vision forward and continue to provide the highest standard of service to our clients.

The right candidates will want to be an integral part of the progress of our company, going beyond the engineering tasks and delivering excellence on a daily basis.

We currently have the following opportunities available:

MANCHESTER - Assistant Consultant:

- At least 1 year of experience in acoustics and AMIOA membership
- Full UK (or European equivalent) driving license
- Ability to manage small to medium scale projects

LONDON - Acoustic Consultant (Senior Level and Above):

- At least 3 years' experience
- Provide leadership and technical support to the existing team
- MIOA or FIOA status
- Excellent communication and commercial skills
- Demonstrable experience in environmental and architectural acoustics

Our staff being our best asset, we strive to offer an enjoyable working environment.

If you are keen to take up a challenging and rewarding position, please send your CV to careers@clementacoustics.co.uk.
