

MACH
ACOUSTICS

Acoustic Consulting London

MACH has established a reputation for providing outstanding, innovative acoustic consultancy. We achieve this through our driven and determined staff who care about what they do and are proud of their results. We provide the necessary support to allow our staff to achieve their goals, along with the freedom and inspiration needed to succeed.

At MACH, you will get the chance to grow and develop. We will provide you with the opportunity to take responsibility, making you feel proud of your achievements. An example of this is Phil, who joined MACH and at the age of 29, and is now running our London office, which achieved 37% growth last year.

For this reason, we are looking for driven and ambitious people to join our London team to contribute to growing MACH London. Ideally we are looking for senior staff to work at project leader level, however all candidates will be considered.

Please feel free to make further enquiry by contacting Ze on 07730590904 or Phil 07717712603 or send your CV to jobs@machacoustics.com
