

Acoustic Consultant / Senior Acoustic Consultant Vacancy

NOVA Acoustics Ltd is one of the UK's leading acoustic consultancy organizations. We are looking to expand our acoustic consultancy team to aid with our building acoustics, environmental and occupational acoustics services across the UK.

We are currently seeking individuals with at least 2 years consultancy experience to join our friendly team of consultants. The role can either be based from our office in Leeds or can be a home based anywhere in the UK.

What we are looking for:

- You will hold a degree in acoustics, a related subject or a post graduate qualification e.g. the IOA PGDip.
- Preferably MIOA. As a minimum be AMIOA and working towards MIOA.
- Highly motivated ambitious acoustic consultants with a minimum of 2 years relevant experience.
- Have relevant experience in building acoustic design, environmental and occupational acoustics.
- Experience with acoustic modelling software SoundPlan.
- Experience with standards and guidelines such as BS4142, BS8233, Breeam and L108.
- Ideally experience supporting and mentoring junior members of staff.
- Ability to manage time, resources, and projects effectively
- Excellent technical report writing and written English.
- Full driving licence.

What we offer you:

- A competitive salary and benefits
- Remote and flexible working options
- A friendly and development focused workplace.
- A diverse project portfolio across a variety of acoustic specialities.

Please contact adam.m@novaacoustics.co.uk with your CV and cover letter.
