

## **Acoustic Consultant**

Azimuth Acoustics UK have an exciting opportunity for an Acoustic Consultant. If you are motivated, knowledgeable, and committed to being a part of our expanding team, this could be the post for you.

Azimuth Acoustics UK are an independent acoustic consultancy based in Bury. We work predominantly around the Northwest, specialising in environmental noise assessments and sound insulation testing. We work with a number of interesting projects that include: hotels, student accommodation blocks, leisure facilities and housing/ industrial developments.

### The role will include:

Project Management of environmental noise assessment and sound insulation projects;  
Working alongside clients to meet project requirements;  
Ensuring project deadlines are met;  
Completing acoustic tests with a professional manner;  
Ensuring projects are prepared and invoiced promptly;  
Ensuring clients are happy with how the business has performed;  
Working with colleagues on new and existing reports;  
Attending site to complete tests.

### The successful candidate will have:

2-3 years of relevant experience  
Member of Institute of Acoustics  
ANC or UKAS Registration as a Sound Insulation Tester  
Experience in a customer facing role/ site experience  
Excellent attention to detail  
Experience in noise monitoring/ sound insulation testing

Job Type: Full-time

Salary dependent on experience
