hr@ensafe.co.uk

Ensafe is a multi-disciplinary consultancy, specialising in a comprehensive range of environmental services, inspection, regulatory and risk management. With over 20 years' experience in the property and construction industry, Ensafe delivers environmental solutions from nine local offices throughout the UK and Ireland. Ensafe provide technical expertise in both the built and natural environment across a variety of sectors – from large government agencies and major developers, to public sector bodies and housing associations.

We currently have a fantastic career progression opportunity for an experienced and enthusiastic Senior/Principal Acoustic Consultant (*depending on experience*) to manage and grow our acoustic offerings in the North. Based in our Manchester office, the successful candidate will have the opportunity to develop a career in a fast-paced environmental consultancy. The role will suit an experienced Principal or equally a Senior or Consultant looking for a step up in their career. ***The full job description can be found on the website.***

Qualifications/Role Requirements:

- A minimum of 5 years' experience as an acoustic consultant;
- Degree or similar in acoustics or related scientific/ environmental field;
- Member of the IOA; and,
- A full, clean UK driving license.
