

Consent form for photography/filming

I consent to the Institute of Acoustics (IOA) using video recordings including images of me both internally and externally to promote the presentation content. These images/video could be used in print and digital media formats including print publications, websites, e-marketing, posters banners, advertising, film, social media, teaching and research purposes.

I understand that images and videos on websites can be viewed throughout the world and not just in the United Kingdom and that some overseas countries may not provide the same level of protection to the rights of individuals as EU/UK legislation provides.

I understand that some images or recordings may be kept permanently once they are published and be kept as an archive of IOA content for us by its members and/or the public.

I have read and understand the conditions and consent to my images and videos being used as described.

The Institute of Acoustics (IOA) is committed to processing information in accordance with the General Data Protection Regulation (GDPR). The personal data collected on this form will be held securely and will only be used for administrative purposes.

Your rights

You have the right to request to see a copy of the information we hold about you and to request corrections or deletions of the information that is no longer required. You can ask the IOA to stop using your images/videos at any time across non IOA platforms, in which case it will not be used in future publications but may continue to appear in publications already in circulation and remain on IOA's membership usage platforms.

You have the right to lodge a complaint against the IOA regarding data protection issues with the Information Commissioner's Office (<https://ico.org.uk/concerns/>).

Contact details

If you have any questions relating to this consent form or the way we are planning to use your information, please contact:
