

Consultant / Senior Consultant

Location: Alton, Hampshire

Noise Solutions Ltd (NSL) is a specialist multi-disciplinary company uniquely placed to provide end-to-end acoustic solutions. As experts in acoustic consultancy, engineers of bespoke acoustic/ventilation treatments, and a manufacturer/installer of acoustic products, we can support our clients from initial project conception through to completion.

We are currently seeking Acoustic Consultants and Senior Acoustic Consultants to join an established and growing team based at our Alton office.

What Noise Solutions Ltd can offer you

- Competitive salary
- The chance to make a difference within a small company
- Professional membership fees paid
- Diverse range of projects, primarily working within our Consultancy team but also gaining experience within the design and installation arms of the business
- Support from an experienced Senior team that will help you develop as a Consultant
- Company car / allowance (if applicable to role)
- Professional development opportunities and training

Candidate requirements

- Corporate Membership to the IOA (MIOA)
- 3+ years working in a Consultancy environment with client facing activities
- Experience preparing technical noise reports
- Experience undertaking noise surveys
- Strong written and verbal communication
- Team player who is happy to provide support to more Junior members of staff
- Proactive and keen to solve problems
- Willingness to develop the business through sales and your input into design/product innovation
- Full driving license

To apply please email your CV to recruitment@noisesolutions.co.uk
