

# SOCOTEC is recruiting for a Senior Acoustic Consultant

**Salary:** £highly competitive + valuable benefits

Delivering seven million tests a year to more than 5,000 clients, SOCOTEC offers the widest range of testing, inspection and compliance services in the UK. We pride ourselves on our client-focussed approach and continual drive to exceed expectations through our leading technical expertise, operational excellence and technological innovation.

Due to ongoing expansion, SOCOTEC currently has vacancies for acoustic consultants from entry-level technicians to senior/principal consultants to join our southern region team.

## Responsibilities:

You will be liaising with clients, engineers, residents and planners, formulating design, monitoring and testing schemes for both environmental noise assessments and building acoustics.

The role will involve the compilation and submission of tenders connected with noise and vibration assessments and supporting the team in data collection, processing, noise modelling, report preparation and technical reviews. You will work on a wide range of projects, taking responsibility for specific aspects and leading a team of consultants to enable the further growth, expansion and development of both the team and our acoustic consultancy offering.

You will work on all aspects of acoustic projects, which may involve travel around the UK.

## Requirements:

Along with your degree in acoustics (or related STEM discipline), you are already a corporate member of the Institute of Acoustics with a minimum of four years' experience in acoustic consultancy and excellent report writing, communication and organisational skills.

Extensive modelling experience and robust expertise in environmental noise, building acoustics and mitigation measures is also essential.

You must be prepared to travel to sites to undertake site surveys and supervise works. As such, a full driving licence is required

## To apply:

If you are interested in working with us, please email your CV to [kevin.woods@socotec.com](mailto:kevin.woods@socotec.com) stating which position you are interested in.
