

Acoustic Consultant

Spectrum is one of the UK's leading independent firms of acoustic consultants, with a track record of prestigious and challenging projects covering the arts, commercial, leisure, residential and industrial sectors – both in the UK and overseas. We are currently seeking individuals who are either recent graduates, or who have 1-2 years consultancy experience, to join our dynamic team in Bedfordshire.

- The successful applicant will enrol on the Spectrum training scheme, receiving training, and gaining experience across a wide range of projects.
- You should have a degree with relevant acoustics content or a general engineering degree and the Institute of Acoustics (IOA) Diploma.
- You should have a full driving license and a suitable car.
- Spectrum offer an attractive remuneration package including a competitive salary, profit sharing bonus scheme, private pension scheme and private healthcare insurance.
- Spectrum support employees in achieving Chartered Engineer status.
- The successful applicant will receive a relocation allowance and be entitled to 5 weeks paid holiday.
- Our head office is located within a 40-minute train journey to central London, 40 minutes from London Luton airport and 20 miles from the attractive city of Cambridge.
- Spectrum is an equal opportunities employer.

Please take a look at the video link below which gives more details about careers at Spectrum and the kind of projects we carry out.
